The Quinte Labour Council will be obtaining Endorsement Cards with the names of the endorsed candidates printed on the cards for distribution to our affiliate members. Cards will be available to the candidates for distribution. A digital version of the card will be available and will be sent to the endorsed candidates for your information.

Union Locals will be contacted and we are hoping to have a list of volunteers who are interested in supporting candidates in each area. More information will be forthcoming in this regard in the very near future.

Again, thank you for completing our Questionnaire. The Council was overwhelmed by your interest and comments. Considering this was our first endorsement campaign, it proved a successful endeavour.
